

ENECON Gulf Coast Hosts Successful Customer Event Followed by a Tour of the USS Texas

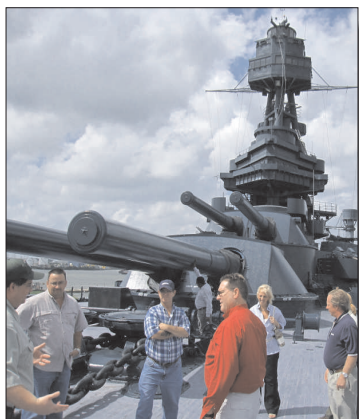

ENECON recently hosted a customer event in the Houston, TX area overlooking the historic battleship USS Texas. A tour of the historic ship which served in two World Wars followed.

The multi-media presentation given by ENECON's Executive Team covered the latest advances in polymeric maintenance and repair technology.

The open forum permitted the attendees to share their ENECON application stories, as well as learn from each other. Discussions were always lively and productive.

After the formal seminar, the group enjoyed a VIP luncheon and a tour of the battleship.
